

EEPTO GENERAL BOARD MEETING

September 20, 2016- 11:30am -Mustang Room

Call to Order - Meredith Bagan 11:35AM

Approval of May Meeting Minutes - Clarissa McWilliams motioned to approve

President's Updates-Meredith Bagan

*Thank you for attending BTSN and participation

*REMINDER: Please join us for Mustang Mixer at Cedar Door this Friday, September 23 at 6:30pm - 7 live auction items, social sign ups, tickets on sale through Wednesday (can buy tickets at door)

Principal Update-Lesley Ryan - off campus at Principal Meeting how the schools are aligned; What our teachers do on Early Release: built upon PLC looking at the curriculum; want the same learning targets at any school within EISD; science vs art with teachers delivering knowledge differently; content should all be the same - they should leave knowing the same objectives; grade levels created curriculum maps - every team shared their objectives in each subject; know what every student should be able to by the end of the year; guarantee viable consistent curriculum; TGAP - teacher growth and appraisal process (how they evaluate teachers) allows for a lot of feedback - student feedback, peer coaching - premise is to keep teacher growing; what opportunities do the teachers have to enhance their learning and align with our curriculum - campus leadership team for approval and IEC for funding; expectation for everyone to do something to learn and grow

Speakers-Michelle Corbett and Staci Hubbard - present and talk about Social Emotional Learning; focus at Eanes Elementary and District is moving towards this focus; affirmations; fits in the Westlake Graduate Wheel and CASEL; exercise to demonstrate how powerful our words are for our children - kids are getting input from people all day and it affects their feelings and behavior; Positive Discipline website very helpful = praise vs encouragement; recommended book "How to raise an Adult" (book study); follow EE_social_emotional_learning on Instagram for Counselor tips and updates;

Treasurer's Report-Katie Pierce

The operating account had a balance of \$211,307.76 as of the 20th of September and the money market account was \$78,122.53.
